

**TESTIMONY OF EASTERN AHEC SUBMITTED TO THE APPROPRIATIONS AND HIGHER EDUCATION  
COMMITTEE ON FEBRUARY 24, 2015**

---

***H.B. No. 6824 An Act Concerning the State Budget For the Biennium Ending June Thirtieth 2017,  
and Making Appropriations Thereafter and Other Provisions Related to Revenue***

---

Eastern Area Health Education Center (AHEC) Inc., appreciates the opportunity to submit testimony concerning **H.B. No. 6824-An Act Concerning the State Budget For the Biennium Ending June Thirtieth 2017, and Making Appropriations Thereafter and Other Provisions Related to Revenue**. Eastern AHEC **proposes** that funding for the CT AHEC Network be **restored at level funding** (\$456,000). AHEC is based at the University of Connecticut Health Center and is implemented through four regional centers located in the Willimantic, Hartford, Waterbury, and Bridgeport areas. The four centers enable the AHEC Program to carry out local programs with great efficiency. As a statewide program, it functions locally to provide high quality, efficient, effective and flexible services that meet local needs. While also assuring that Connecticut residents have access to critical resources and programs that are both timely and essential in developing a healthcare workforce which is cost effective, culturally competent, Inter-Professional and responsive to the healthcare needs of the state.

Eastern AHEC Inc., is a nonprofit 501(c) 3 whose *mission is to enhance access to culturally and linguistically appropriate healthcare education and increase the diversity, quality, and distribution of future healthcare professionals*. Regionally, EAHEC primarily serves rural and pockets of urban areas with low socioeconomically status including, veterans communities. Eastern AHEC's geographic reach for regional programing are within Windham and New London Counties respectively. The cities and towns in each county are illustrated in **Table 1**.

**Table 1. Eastern AHEC Service Area**

COUNTY	TOWNS
New London County	Bozrah, Colchester, East Lyme, Franklin, Griswold, Groton, Lebanon, Ledyard, Lisbon, Lyme, Montville, New London, North Stonington, Norwich, Old Lyme, Preston, Salem, Sprague, Stonington, Voluntown, and Waterford
Windham County	Ashford, Brooklyn, Canterbury, Chaplin, Eastford, Hampton, Killingly, Plainfield, Pomfret, Putnam, Scotland, Sterling, Thompson, Willimantic, Windham, and Woodstock

For the past 17 years the Connecticut AHEC Network and it's the four regional Centers have successfully leveraged collaboration and partnerships with key stakeholders with a focus on Connecticut's health care workforce. We have been dedicated and committed to reducing and eliminating health disparities by collaborating and creating partnerships with organizations that aim to improve healthcare access both on a national and statewide level. The capacity by which AHEC has collaborated has been either in a lead role or has contributed in leadership Advising, Officer, Co-Chair, or general member of core collaborative groups both regionally and statewide.

On a national level the AHEC networks have collaborations with National Health Service Corps, National Association of Medical Minority Educators, National Rural Health Association, National Health Services Corps, National Student Clearing House, Veterans Mental Health Initiative, and many others. Over the years, the Connecticut AHEC network has collaborated with over 290 federal, state and community partners **Table 2** though not exclusive, illustrates an example of community based partners of whom we worked with over the years. Other partnerships have included higher educational institutions where programs such as the Collegiate Health Service Programs (CHSC), Inter-professional Education, and Continuing Education trainings that promotes workforce development among interpreters. See **Table 3**.

**Table 2. CTAHEC Network Collaborative Community Partners**

CT Allied Health Workforce Board	Community Based Organization
CT Center for Primary Care	Department of Social Services
Community Health Center Association	Institute for Community Research
CT Department of Public Health	Local Department of Health
CT Hospital Association	Lupus Foundation of Connecticut
CT State Dental Association	National Kidney Foundation of CT
CT Allied Health Workforce Board	ProHealth Physicians
	Veterans Health Administration

**Table 3. Institutional Partners**

Capital Community College	University of Bridgeport
Central Connecticut State University	University of Connecticut
Eastern Connecticut State University	University of Hartford
Housatonic Community College	University of St. Joseph's College
Quinnipiac University Physician Assistant Program	Western Connecticut State University
Quinebaug Valley Community College	Wesleyan College
Southern Connecticut State University	
Trinity College	

AHEC's **mission and goals** directly support healthcare workforce development in the state. Focus areas for the AHEC include:

- **Recruiting underrepresented minority and disadvantaged students into the health professions.**
- **Partnering with community organizations** to address local health issues.

- **Providing continuing education** that improves the care received by vulnerable populations.
- **Providing outreach to vulnerable populations (migrant farm workers, medically and dentally underserved, homeless, etc...)**
- **Developing and supporting community based interprofessional training** opportunities for health professions and pre-health professions students.

**Eastern AHEC's key initiatives include;**

- Career exploration pipeline programs
    - Youth Health Service Corps (YHSC)
    - Collegiate Health Service Corps (CHSC)
  - Interprofessional education student-lead medical clinics
  - Medical Interpreter Program (MIP)
  - Recruitment & Retention Activities (RRA)
  - Access Health CT Education and Enrollment Support
  - Executive management and facilitation of public health statewide initiatives as a contractor
  - Authorized provider of the International Association of Continuing Education and Training (IACET)
- Health Professions*

The AHEC Network engages more than 7,000 learners annually from 30+ secondary schools, 9 colleges/universities and 10 health professional schools state-wide. Through its' **on-line health careers manual (HOT Guide – Health Occupations and Technology Careers ([www.healthcareersinct.com](http://www.healthcareersinct.com))**, AHEC provides current and accurate information on CT based health professions programs, admissions prerequisites, training, credentialing and roles of over 85 health careers to students, parents, teachers, guidance counselors, librarians more than 1 million times each year. AHEC provides continuing education for the state's healthcare professionals through a variety of mediums and topics including: chronic disease management, immunization and public health, cultural competence, utilization of medical interpreters and Community Health Workers, etc. **Table 4** illustrates example programs and technical support that are currently provided within the organization's objectives.

**Table 4: Eastern AHEC Network Programs and Technical Assistant Support**

Objective	Focus /# of Learners Engaged Annually	Programs
